EDUCATION

Classroom PHOENIX

Parent Guide

Contents

1. Getting started

- To access Phoenix Classroom, click on this link: https://classroom.gemseducation.com
- Phoenix Classroom link has also been added in Parent portal home page (https://oasis.gemseducation.com)
- Your login credentials are same as your existing Parent portal credentials and have been emailed to you earlier.
- Send an email to ___ if you not have your login credentials yet.

2. My Groups - Access Learning Resources

- Click on child's photo on the top right of the page after login to switch between your children's profiles if applicable
- Navigate the site via the menu links on the left panel. View your child's groups and access learning resources shared by the teachers in specific group under **My Groups**
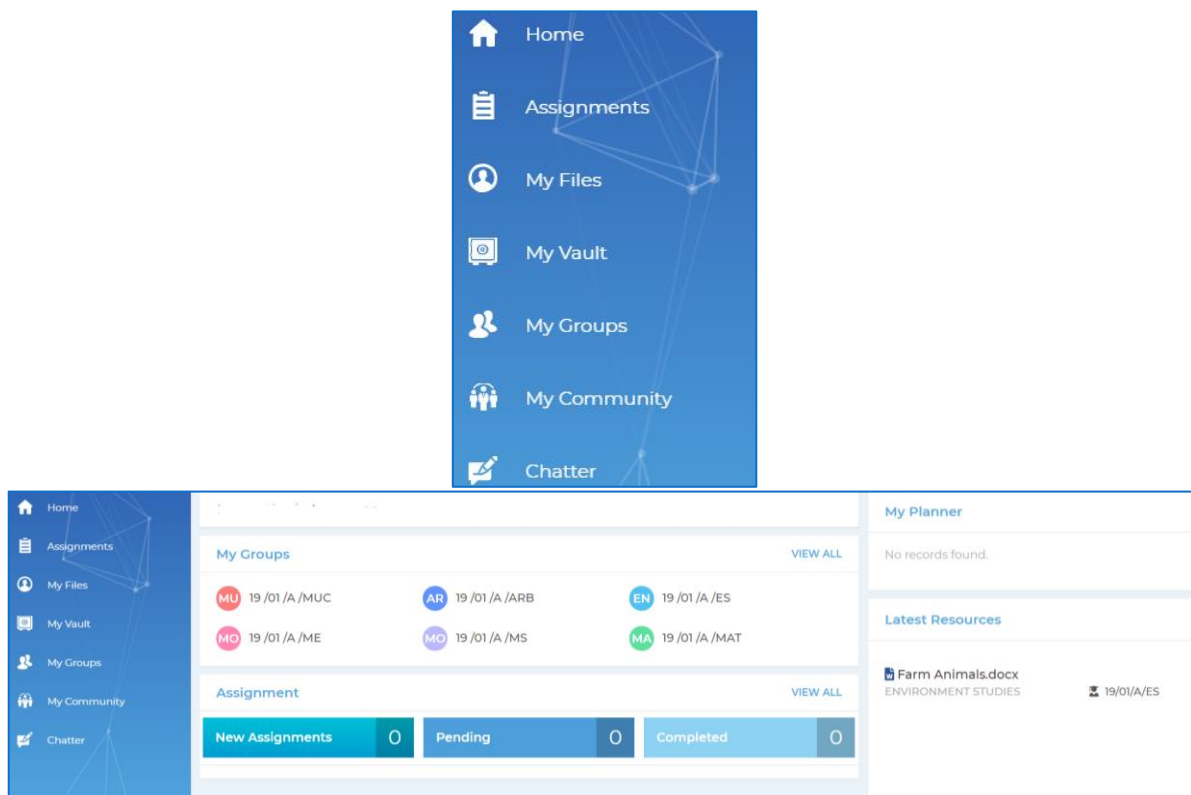

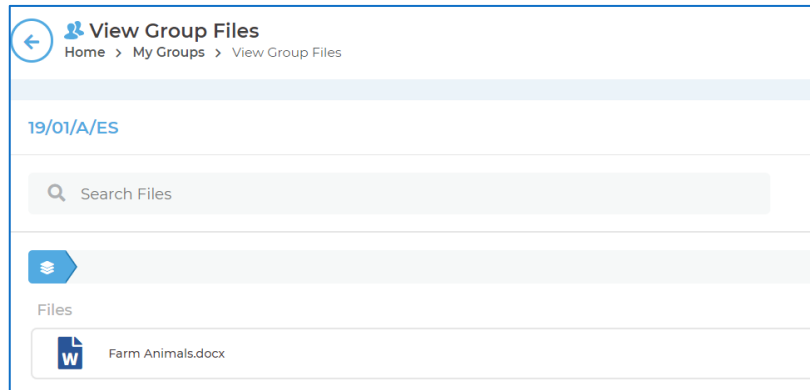

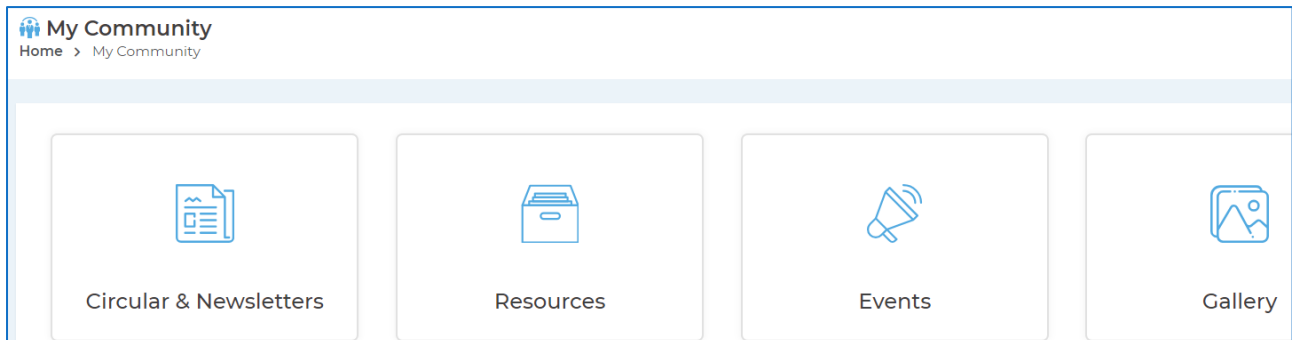

3. Assignments

- View and track completion status of all **assignments**, tasks and quizzes.
- View assignment grading once it has been reviewed by the teacher
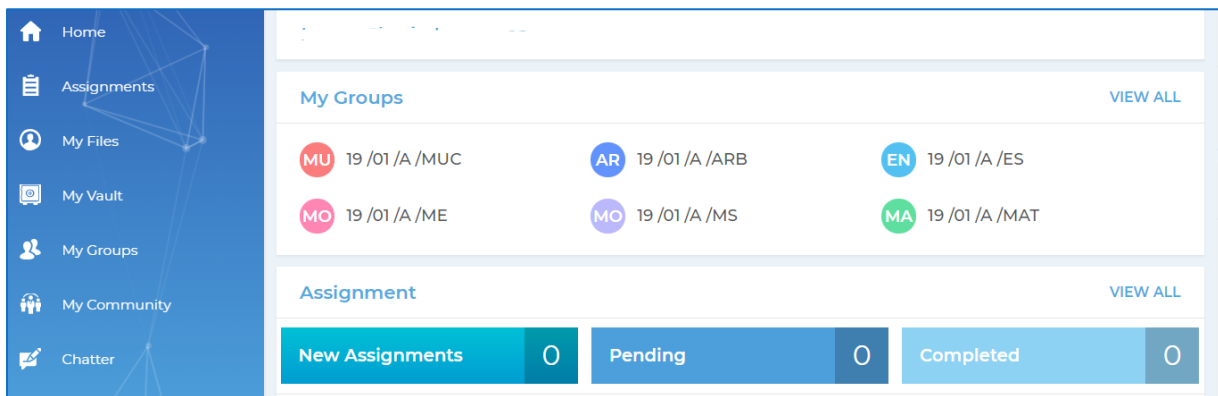

4. My Community - Circulars and Newsletters

- Stay updated on school news & events
- Access circulars & newsletters under **My Community**

5. Chatter - Blogs and discussions

- View your child's participation in class discussions. See posts on **Chatter**
