CIRCULAR

5th December 2024

Dear Parents,

SUBJECT : SIMPLY BOTTLES COLLECTION DRIVE – Together for a Greener Future!

We are excited to announce The Westminster School, Dubai's participation in the Plastic Bottles Collection Drive in collaboration with Simply Bottles! This inspiring initiative aims to raise environmental awareness and promote sustainable practices within our school community.

Over the years, our school has achieved remarkable success in this drive, with collected plastic bottles being recycled into green spun yarn for textile production. Let's continue this legacy by joining forces to make this year's campaign even more impactful!

Why Join the Drive?
This is not just a competition but a chance to educate our children about recycling and its importance. Together, we can reduce plastic waste, protect our environment, and lead by example in our community.

Let's Get Started – Before Winter Break!
We encourage everyone to start collecting NOW so we can make a significant impact before the winter break.

Here's How It Works: Earn House Points
1 House Point for every 5 large plastic bottles submitted.
1 House Point for every 10 small plastic bottles submitted.

- **Special Recognition :**
  - A Certificate of appreciation will be given on earning 100 House points.
  - The top contributors (students and staff) will be awarded a Certificate of Appreciation for their commendable efforts in combating plastic pollution.

- **Designated Collection Points:**
  - Primary School: Use the green bins placed in the quadrangle.
  - Secondary Girls: Deposit bottles in the collection area near Gate 6.
  - Secondary Boys & Sixth Form: Submit bottles to Year-level Green Coordinators, who will deposit them near Gate 6.

Class Green Monitors, with support from staff, will maintain records of each student's contributions, ensuring fair competition and accountability. Form Tutors will send the names of students who have earned 100 House points for the collection done to Ms. Maria Sawashere for the certificate.

Contd . . 2

For more information, please contact Ms. Maria Sawashere at maria.s7_tws@gemsedu.com.

Let's unite as a community to create lasting impact and achieve success while promoting sustainability!

Kind regards,

CARL ROBERTS
