CIRCULAR TO PARENTS OF YEAR 9 STUDENTS

5th January 2025

Dear Parents,

SUBJECT: YEAR 9 PARENT ORIENTATION SESSION

Greetings and good wishes from The Westminster School – Dubai!

As we progress through the academic year, we would like to emphasize the importance of IGCSE subject selection for your child in the upcoming academic year 2025-2026.

The International General Certificate of Secondary Education (IGCSE) is a globally recognized qualification that prepares students for further academic study and for life beyond school. It is important that students carefully consider their subject choices as this will have a significant impact on their future academic and career pathways.

We would like to invite you to attend an information session on IGCSE subject selection. This session will provide you with an overview of the IGCSE program, an explanation of the subject options available to your child, and guidance on how to make informed decisions regarding subject selection.

The Parent Orientation will take place on Wednesday, 15th January 2025, in the school Multiplus, starting at 3:00 PM. This will be followed by a networking session with the Subject Leaders. All Parents attending the Orientation will enter and exit from **Gate #3 Only.**

We encourage you to discuss your child's subject selection with them and to consider their strengths, interests, and future aspirations. It is important that students choose subjects that they are passionate about and that will allow them to achieve their goals. We look forward to seeing you at the information session and working together to support your child's academic success.

Thank you for your continued support and we look forward to meeting you for the session.

Kind regards,

Grace Aluoka
Assistant Principal – Secondary and Sixth Form
