SUBJECT: **Inter-School TWSMUN 2025**

Greetings and good wishes from The Westminster School – Dubai!

We are proud to announce that registration is now open for the upcoming inter-school **TWSMUN 2025**", a three-day event scheduled to take place from the **31st of January to the 2nd of February 2025**.

TWSMUN offers schools the opportunity to bring their students together for a conference that goes beyond a mere simulation of the United Nations. It is a unique initiative for enthusiastic students to discuss global topics and challenges on a profound level. The conference provides students with the chance to engage with like-minded peers on issues that interest them. Participants in this event enhance key skills that are becoming increasingly essential for the younger generation, including debating, critical thinking, and creative problem-solving. Additionally, students are eligible to win prestigious awards based on their performance throughout the conference.

The theme of this year's conference is ***"Technology and Diplomacy: Navigating through the digital age"***, which emphasizes the role of technology in shaping international relations and addressing global challenges, offering an intellectually stimulating experience for all participants. This year, we have carefully selected 11 committees tailored to different year groups, ensuring discussions that are both age-appropriate and impactful.

Junior Category [Year 6 to Year 8]

- International Federation of Association Football (FIFA)
- Superhero Science Council
- International Space Exploration Committee

Intermediate Category [Year 9 to Year 10]

- United Nations Human Settlements programme (UN-Habitat)
- United Nations Environmental Programme (UNEP)
- United Nations Security Council (UNSC)
