Dear Parents,

SUBJECT: Dispersal timing for Years 7 to 13 students during Common Assessment 2 & First Term Examinations

Greetings and good wishes from The Westminster School-Dubai!

To support students' well-being and assist in their exam preparation, I'd like to share the dispersal timings for the Common Assessment 2 and First Term Examinations.

Please note that we will provide a waiting room for Secondary students who have siblings in Primary school until 2:30 PM, as **early dispersal for Primary students will not be permitted.**

Thank you for your continued support.

Kind regards,

Ms.Grace Aluoka
Assistant Principal – Secondary and Sixth Form
