FS & Primary Sports Day.

FS Sports Day

Under the theme “Fitness First – Team Work makes the Dream Work” the students of Foundation Stage along with their Teachers, Parents and the Senior Leadership Team came together for the Annual Sports Day on Wednesday 10th January 2024.

“Fitness First” the perfect way to “Health and Happiness”, the building body to a healthy body and mind. It was time to run, jump, climb, roll, crawl and have a great deal of fun.

Every activity revolved around developing students gross motor skills, balance, flexibility, focus and concentration.

It was wonderful to see our parents and teachers showing off their athletic skills in the respective races.

As another amazing FS Sports Day came to an end, it was amazing to witness the teamwork of all our little athletes. It sure was a victorious day for all.

Primary Sports Day (KS 1)

The KS1 Sports Day at TWS was a fun and action-packed event intended to encourage physical activity, teamwork, and skill development among our Key Stage 1 students. With 12 fascinating stations, each designed to improve various motor skills, coordination, and general physical fitness, the day was full of laughter, friendly competition, and a sense of achievement. KS1 Sports Day was a resounding success which ensured that every child had the opportunity to shine, fostering a love for sports and an appreciation for a healthy and active lifestyle.

Primary Sports Day - KS 2

The Primary Sports Day for Key Stage 2 at The Westminster School, Dubai was conducted on two days –16th January 2024 for Years 3 and 4 and on 17th January 2024 for Years 5 and 6. The Sports Days were filled with energy, cheer and incredible sportsmanship.

Students acknowledged the need for environmental stewardship based on the theme, 'Racing towards a greener future.' The thunderous beats of the drums echoed through the air as our young champions, donned in vibrant house colors, showcased discipline and unity during the March Past. The field transformed into a dance floor as students, grooved to the beats of Zumba. The Year 3 and 4 martial arts enthusiasts left the audience in awe with their skillful moves and dedication to the art of Karate. Our budding gymnasts of Upper Primary mesmerized the crowd with gravity-defying flips, twists, and tumbles. From hurdle races to split jump, the joy of recreation games brought smiles to both participants and spectators. It was a clash of skills and strategies as students battled it out in various sports – sprint races, soccer showdowns to basketball battles. Parents and teachers joined in the fun with games tailored just for them.

The Sports Day extravaganza was not just about winning and losing; it was a celebration of effort, teamwork, and the joy of being active.

TWS PRESENTS

THE ART SOUQ

VENUE- THE MULTIPLUS

Venue: The Multiplus
Date: 22nd - 26th,
January, 2024
Time: 8:00 AM to 2:30 PM

Art Exhibition

The theme for this year's Art Exhibition at THE WESTMINSTER SCHOOL, Dubai is "THE ART SOUQ". The theme (buy local, support small business) is a subject very close to every artist. A journey of 4 months dotted with stimulating ideas, concepts and research along with enthusiasm, passion and dedication has now come to life. Art through its capacity to tell a community's shared story, inspires reflection and forms connections that transcend differences. By buying locally and supporting small businesses we help communities through self-employment and alleviation of poverty which are important sustainable development goals. Students also know how art and design both reflect and shape our history, and contribute to the culture, creativity and wealth of our local communities.
